Bulgarian Demonstration

STAT

To the Editor:

Contrary to all the reasons given for the Bulgarian [demonstration] against U. S. spying and the engagement of a Bulgarian representative in the U. N. and his mistress to spy for the U. S., I believe the reason is that the world is very sick and tired of hate, spying and war. . .

The much-talked of U. S.

image has its face badly smeared again. When will we really stand for peace and abolish hate, the despised CIA, the cold war and enjoy peace and the good will we all have been singing about lately? One hopeful sign, I think, is the youth, the thinking student. — Emma F. Meyer, W. Friendship Haven, Fort Dodge, Ia.
